EDUCATION

S R Institute Of Management & Technology (AKTU)

Bachelor of Technology in Information Technology

CGPA : 7.96/10

Lucknow(India)

2019-2023

Bhagwat Memorial Inter College

Intermediate/+2 (UP BOARD) : 69%

Mishrikh (India)

2018-2019

Personal Projects

Portfolio Website

[LiveLink](#)

- Developed a Personal curated selection of work samples and projects used by professionals in creative fields, such as designers and artists.
- A powerful tool for job seekers and freelancers to showcase their Abilities. Provides tangible evidence of qualifications and can enhance career opportunities.
- Successfully implemented **authentication** using path , **About Section** , **Skills** , **Project** and **A feature for Contacting Me** , and other features And Others.
- Techstack include **HTML** , **CSS** , **JavaScript**

Sorting Visualiser – DSA Project

[click Live](#)

- A sorting visualizer project is a software application or web-based tool that helps users understand and observe how various sorting algorithms work .
- In This Time and Space complexity of algorithm being visualized.
- Implemented Techstack **HTML** , **CSS** , **JavaScript** and **Sorting Algorithms**.

Weather App

- I integrated an API to retrieve weather data for a city that a user searches for.
- This project demonstrates my skills in front-end web development, API integration , and data visualization.
- In this project, I developed a weather website using **HTML** , **CSS** , **JavaScript** and **React**

Work Experience

Geeks For Geeks

07/2022-12/2022

Internship

[\[Certificate\]](#)

- Achieved expertise in DSA by successfully solving over 200+ coding questions on the **GeeksForGeeks** platform.
- Enhancing coding skills by actively participating in various coding contests organized by the GeeksForGeeks Platform
- Developed **Projects** Based On Data Structures Such As N-Queens Visualiser , Sorting Visualiser.
- Learn About Object Oriented Design , Computer Fundamentals ,OOPS

TECHNICAL SKILLS

- **Programming Languages** : C/C++ , JavaScript .
- **Development**: HTML, CSS, React-JS, Redux, Bootstrap.
- **Developer Tools** : Git, Github , vsCode.
- **Additional Courses** : Data Structures & Algorithms, Database Management Systems, Operating Systems, Object Oriented Programming , Computer Networks.
- **Soft Skills**: Team Management, Risk Taking, Excellent Work Ethics, Adaptability, Planning, Critical Thinking,

ACHIEVEMENTS

- Earn 5 Star On HackerRank In Problem Solving [Certificate](#).
- [Certificate](#) Of Completing Basics Of JavaScript on Coding Ninjas .
- Ninja Dominator In Coding Ninja In Problem Solving
- Solve 200+ question on [leetcode](#) and [GFG](#).
- Work as a team leader in my collage project.
- Secured 4531 Rank On Leetcode Weekly Contest

HOBBIES

- Playing Cricket
- Internet Exploring
- Problem Solving
- Content Creation
